

## **PARTNER WITH PASS!**

Ten years ago, PASS, at the time Plainfield Area Select Soccer, was formed to give area children a club in which to develop their soccer abilities. As the club grew it became PASS FC and now draws players from all over West Michigan. In addition to our select teams, we have several premier teams that play year round in a partnership with the Michigan Wolves Hawks, a nationally recognized premier soccer club.

The mission of PASS FC is to provide opportunities for young people of diverse backgrounds to learn and develop life-enhancing values and behaviors through the sport of soccer. These values and behaviors include: teamwork, respect, integrity, trust, responsibility, honesty, confidence, character, communication and perseverance.

PASS FC, a 501(c)3 non-profit organization, is among the most diverse clubs in West Michigan and has a mix of kids from many different cultures. Our players, through hard work, discipline and adult guidance, have shown above average talent in the sport of soccer. To ensure that kids get an opportunity to play soccer at this level and learn some very important life skills, we are seeking your financial support of our scholarship program. All funds in the scholarship program are directed toward making it possible for youth to play. In addition, our club is working to build our "field fund" which will eventually provide West Michigan with another soccer venue, which is desperately needed in our area.

We hope that you will strongly consider becoming a partnering sponsor of PASS FC in the coming year. Your support will go a long way toward building a better community. Thank you for your consideration!
